Date of Course _____

**End-of-Life Nursing Education Consortium (ELNEC)
PERSONAL POST-COURSE GOALS AND EXPECTATIONS**

Please identify three goals you hope to accomplish as a result of attending the course.
Time for discussing and refining your goals will be provided during the course.

Examples of goals:

1. Provide faculty with resources on end-of-life care.
2. Increase end-of-life care content in our nursing curriculum.
3. Implement end-of-life care clinical learning experiences at each clinical level.

Your goals:

1. _____

2. _____

3. _____
