

**Media Watch...** is intended as an advocacy, research and teaching tool. The report is international in scope and distribution – to colleagues who are active or have a special interest in **hospice** and **palliative care**, and in the quality of **end-of-life care** in general – to help keep them abreast of current, emerging and related issues – and, to inform discussion and encourage further inquiry.

## Underserved & Vulnerable Populations (1 October 2022 Supplement)

Compilation of Media Watch 2008-2022 ©

Compiled & Annotated by Barry R. Ashpole

### Ethnically & Linguistically Diverse Communities

1. 'Why don't more people of color receive end-of-life care?' *The Philadelphia Inquirer*. [Country of origin: **U.S.**] Posted online 22 September 2022. **Full text:** <https://bit.ly/3BDwdVN>

#### Related:

- a) 'Problematic integration: Racial discordance in end-of-life decision making,' *Health Communication*. Posted online 18 August 2022. **Abstract:** <https://bit.ly/3AamPZ2>
- b) 'Honoring Black hopes: How to respond when the family is hoping for a miracle,' F1000Research. Accessed online 16 August 2022. **Full text:** <https://bit.ly/3Qt1Kjo>
- c) "'Palliative care is the only medical field that I feel like I'm treated as a person, not as a Black person": A mixed-methods study of minoritized patient experiences with palliative care,' *Journal of Palliative Medicine*. Posted online 16 August 2022. **Abstract:** <https://bit.ly/3w6E3oY>

2. 'Talking about palliative care, no matter what language you speak,' Palliative Care **Australia**. Posted online 6 September 2022. **Full text:** <https://bit.ly/3BgYF0J>
3. 'Racism and casteism: Global chasms of access to palliative care and pain relief,' *BMJ Supportive & Palliative Care*. [**International** perspective] Posted online 30 August 2022. **Full text:** <https://bit.ly/3CK3PU1>

### Humanitarian Aid

1. 'Using virtual learning to develop palliative care skills among humanitarian health workers in the Rohingya refugee response in **Bangladesh**,' *Journal of Medical Education & Curricular Development*. Posted online 22 August 2022. **Full text:** <https://bit.ly/3QWDqXu>

**IPCRC.NET** International Palliative  
Care Resource Center

Search back issues of Media Watch for additional articles on issues and topics noted in this supplement: <http://bit.ly/2ThijkC>

## The Incarcerated

1. 'Medical orders for life-sustaining treatment in correctional settings,' *Journal of Correctional Health Care*. [Country of origin: **U.S.**] Posted online 1 August 2022. **National Commission on Correctional Health Care Position Statement:** <https://bit.ly/3AAOpil>

**N.B.** Prison Hospice Backgrounder (Updated: 1 August 2022): End-of-life care in the prison system has been highlighted on a regular basis in Media Watch. A compilation of selected articles, reports, etc., noted in past issues of the weekly report can be downloaded from the Palliative Care Network website: <http://bit.ly/2RdegnL>

## Indigenous Peoples

1. 'Planetary health and palliative care: Voices of indigenous peoples from marginalisation to the centre,' eHospice. [Country of origin: **India**] Posted online 19 September 2022. **Full text:** <https://bit.ly/3DKNv5R>
2. 'Māori elders' perspectives of end-of-life family care: Whānau carers as knowledge holders, weavers, and navigators,' *Palliative Care & Social Practice*. [Country of origin: **New Zealand**] Posted online 8 September 2022. **Full text:** <https://bit.ly/3cYrMwo>
3. 'Nav-CARE: Contributing to truth and reconciliation,' eHospice. [Country of origin: **Canada**] Posted online 6 September 2022. **Full text:** <https://bit.ly/3erDtMz>

## The Intellectual, Developmental & Physically Disabled

1. 'The grief experiences of children with developmental disabilities: A narrative literature review,' *Omega – Journal of Death & Dying*. [Country of origin: **U.S.**] Posted online 22 September 2022. **Abstract (w. references):** <https://bit.ly/3qXrSrD>

### **Related:**

- a) 'Synthesising existing research on complicated grief in intellectual disability: Findings from a systematic review,' *Journal of Intellectual Disability Research*. [Country of origin: **Ireland**] Posted online 30 August 2022. **Full text:** <https://bit.ly/3wJZ7Sj>
2. 'Top ten tips palliative care clinicians should know about navigating the needs of adults with intellectual disabilities,' *Journal of Palliative Medicine*. [Country of origin: **U.S.**] Posted online 9 September 2022. **Abstract:** <https://bit.ly/3eEhYs2>
  3. 'Barriers to palliative care access in patients with intellectual disability: A scoping review,' *Journal of Pain & Symptom Management*. [Country of origin: **Ecuador**] Posted online 19 August 2022. **Full text:** <https://bit.ly/3Cijn0U>

### Barry R. Ashpole

MY INVOLVEMENT IN HOSPICE AND PALLIATIVE CARE DATES FROM 1985. As a communications consultant and educator, I've been involved in or responsible for a broad range of initiatives at the community, regional, provincial and national level. My current focus is advocacy and policy development in addressing issues specific to those living with a terminal illness – both patients and families. See biosketch on the International Palliative Care Resource Center website: <http://bit.ly/2RPJy9b>

## Lesbian, Gay, Bisexual, Transgender Communities

1. 'Lesbian, gay, bisexual, transgender and gender diverse and queer community members' perspectives on palliative care in New South Wales, **Australia**, *Health & Social Care in the Community*. Posted online 19 September 2022. **Full text:** <https://bit.ly/3UxAgLV>
2. 'Barriers to LGBTQIA-inclusive palliative care,' *American Journal of Hospice & Palliative Medicine*. [Country of origin: **U.S.**] Posted online 16 September 2022. **Abstract (w. references):** <https://bit.ly/3DN4X9S>
3. 'Improvements called for in palliative and end of life care for lesbian, gay and bi-sexual people,' *eHospice*. [Country of origin: **U.K.**] Posted online 7 September 2022. **Full text:** <https://bit.ly/3KUTk2d>

## Low- & Middle- Income/Resource Countries

1. 'Understanding the "state of play" of long-term care provision in low- and middle-income countries,' *International Social Security Review*. [Country of origin: **U.S.**] Posted online 26 September 2022. **Abstract:** <https://bit.ly/3y1wHUI>

### **Related:**

- a) 'Supportive care interventions for cancer patients in low- and middle-income countries: A scoping review,' *Supportive Care in Cancer*. Posted online 13 August 2022. **Abstract (w. references):** <https://bit.ly/3JTmDji>
2. 'Strengthening palliative care in the WHO **Eastern Mediterranean Region**,' *East Mediterranean Health Journal*. Special issue. **Journal contents page:** <https://bit.ly/3Uyn09T>

### **Related:**

- a) 'Primary caregivers caring for a child at end of life in **Saudi Arabia**,' *Palliative Medicine Reports*. Posted online 9 August 2022. **Full text:** <https://bit.ly/3A8vQld>
3. 'Socially, culturally and spiritually sensitive public health palliative care models in the lower-income countries: An integrative literature review,' *Indian Journal of Palliative Care*. [Country of origin: **Australia**] Posted online 21 September 2022. **Full text:** <https://bit.ly/3r3XAUa>

4. "'From the time you start with them until the Lord calls you": A qualitative study on the experiences and expectations of people living with advanced cancer interacting with palliative care services in **Uganda, Nigeria and Zimbabwe**,' *Journal of Pain & Symptom Management*. Posted online 9 September 2022. **Full text:** <https://bit.ly/3QJhTRb>
5. 'Regional adaptation of the education in palliative and end-of-life Care Pediatrics (EPEC-Pediatrics) curriculum in **Eurasia**,' *Cancer Medicine*. Posted online 8 September 2022. **Full text:** <https://bit.ly/3B32VQ3>

**N.B.** Armenia, Azerbaijan, Belarus, Kazakhstan, Moldova, Poland, Romania, Russia, Serbia, Tajikistan, Ukraine & Uzbekistan.

6. 'Barriers of access to opioid medicines within the context of palliative care in **Latin America**: The perception of health professionals,' *Journal of Palliative Medicine*. Posted online 29 August 2022. **Full text:** <https://bit.ly/3B7CkTn>

**N.B.** Argentina, Bolivia, Chile, Colombia, Costa Rica, Dominican Republic, Ecuador, El Salvador, Guatemala, Honduras, Mexico, Nicaragua, Panama, Paraguay, Peru, Uruguay, and Venezuela.

## Residents of Long-Term Care, Nursing Homes & Residential Care

1. 'Do mobile hospital teams in residential aged care facilities increase health care efficiency: An evaluation of French residential care policy,' *European Journal of Health Economics*. [Country of origin: **France**] Posted online 22 September 2022. **Full text:** <https://bit.ly/3UOv5qV>
2. '**Australian** residential aged care home staff experiences of implementing an intervention to improve palliative and end-of-life care for residents: A qualitative study,' *Health & Social Care in the Community*. Posted online 6 September 2022. **Full text:** <https://bit.ly/3BoXaxk>
3. 'Assessing technical feasibility and acceptability of telehealth palliative care in nursing homes,' *Palliative Medicine Reports*. [Country of origin: **U.S.**] Posted online 22 August 2022. **Full text:** <https://bit.ly/3CVQ7NM>

## Rural & Remote Regions

1. 'Nurses at rural facilities explain barriers to end-of-life care,' Relias Media. [Country of origin: **U.S.**] Posted online 21 September 2022. **Full text:** <https://bit.ly/3SrFp6e>
2. 'Aravanaippu: A rural palliative care project in Coimbatore, **India**,' eHospice. Posted online 22 August 2022. **Full text:** <https://bit.ly/3dOC1mV>

## Socio-economically Disadvantaged Populations

1. 'The effect of age on specialized palliative care use in the last year of life for patients who die of cancer: A nationwide study from **Norway**,' *Journal of Geriatric Oncology*. Posted online 13 August 2022. **Full text:** <https://bit.ly/3QTITzn>

---

## Publishing Matters

1. 'Palliative care journal publications by country as a metric for palliative care development level,' *BMJ Supportive & Palliative Care*. [Country of origin: **Egypt**] Posted online 21 September 2022. **Abstract:** <https://bit.ly/3BCpz28>
2. 'Writing constructive peer review reports,' *Journal of Public Health Management & Practice*. [Country of origin: **U.S.**] Posted online 29 August 2022. **Full text:** <https://bit.ly/3Q5X1Dh>
3. 'Lessons from the COVID-19 pandemic and recent developments on the communication of clinical trials, publishing practices, and research integrity: In conversation with Dr. David Moher,' *Trials*. [Country of origin: **Canada**] Posted online 17 August 2022. **Full text:** <https://bit.ly/3A3XsYI>

**N.B.** Center for Journalology website: <https://bit.ly/3PBF9Qi>

Share this supplement to Media Watch with a colleague.

## Research Matters

1. 'Global research trend and bibliometric analysis of current studies on end-of-life care,' *International Journal of Environmental Research & Public Health*. [Country of origin: **Hong Kong**] Posted online 6 September 2022. **Full text:** <https://bit.ly/3xMP13z>
2. 'Strategies for recruiting the dependent children of patients with a life-limiting illness as research participants,' *Palliative Medicine*. [Country of Origin: **U.K.**] Posted online 14 September 2022. **Full text:** <https://bit.ly/3BBR8sh>
3. 'Sensitive, challenging, and difficult topics: Experiences and practical considerations for qualitative researchers,' *International Journal of Qualitative Methods*. [**International** perspective] Posted online 8 September 2022. **Full text:** <https://bit.ly/3TZflkq>
4. 'Systematic review of conceptual and theoretical frameworks used in palliative care and end-of-life care research studies,' *Palliative Medicine*. [Country of origin: **U.S.**] Posted online 8 September 2022. **Abstract (w. references):** <https://bit.ly/3Lm4q0p>

### **Related:**

- a) 'Balancing protection and progress in pediatric palliative care research: Stakeholder perspectives,' *Pediatrics*. [Posted online 7 September 2022. **Abstract:** <https://bit.ly/3KYSeTI>
- b) 'The application of minimal clinically important differences in palliative research: Interpretation of results of a systematic review,' *Journal of Pain & Symptom Management*. Posted online 21 August 2022. **Abstract (w. references):** <https://bit.ly/3R5JA7j>
- c) A visual tool to help develop a statistical analysis plan for randomized trials in palliative care,' *Journal of Pain & Symptom Management*. Posted online 12 August 2022. **Abstract (w. references):** <https://bit.ly/3bQWFIO>

## Workplace Issues

1. 'Bureaucracy and burden: An intersectionality-based policy analysis of social welfare policy with consequences for carers of people with life-limiting illness,' *Palliative Medicine*. [Country of origin: **Australia**] Posted online 16 September 2022. **Abstract (w. references):** <https://bit.ly/3dFWAIZ>
